

Same sigma and xi; different nonstationary components

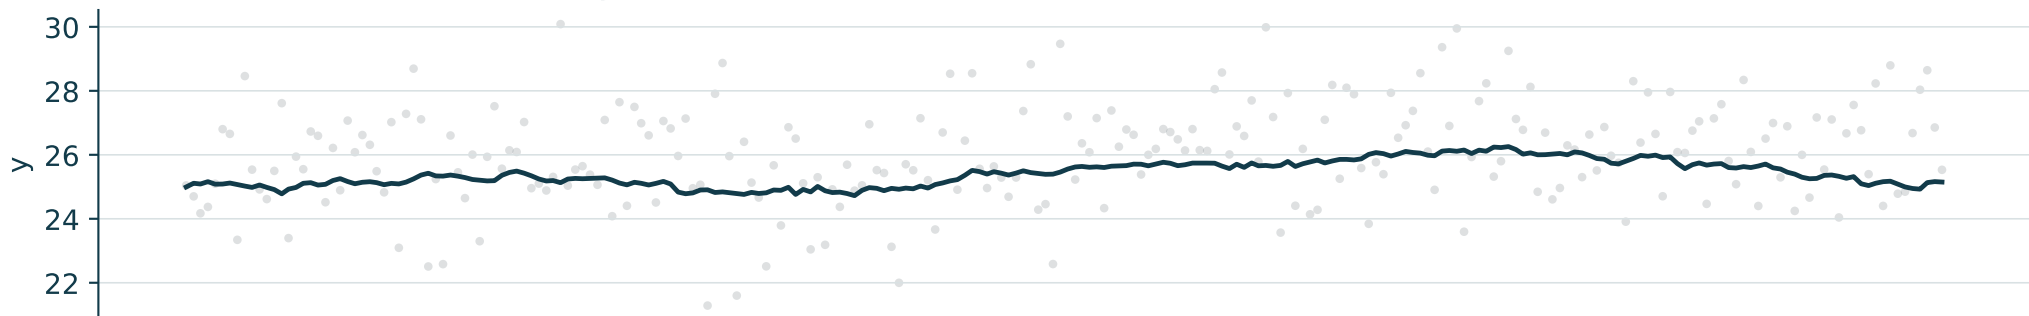

Stationary location — level=fixed, slope=zero, seasonal=zero

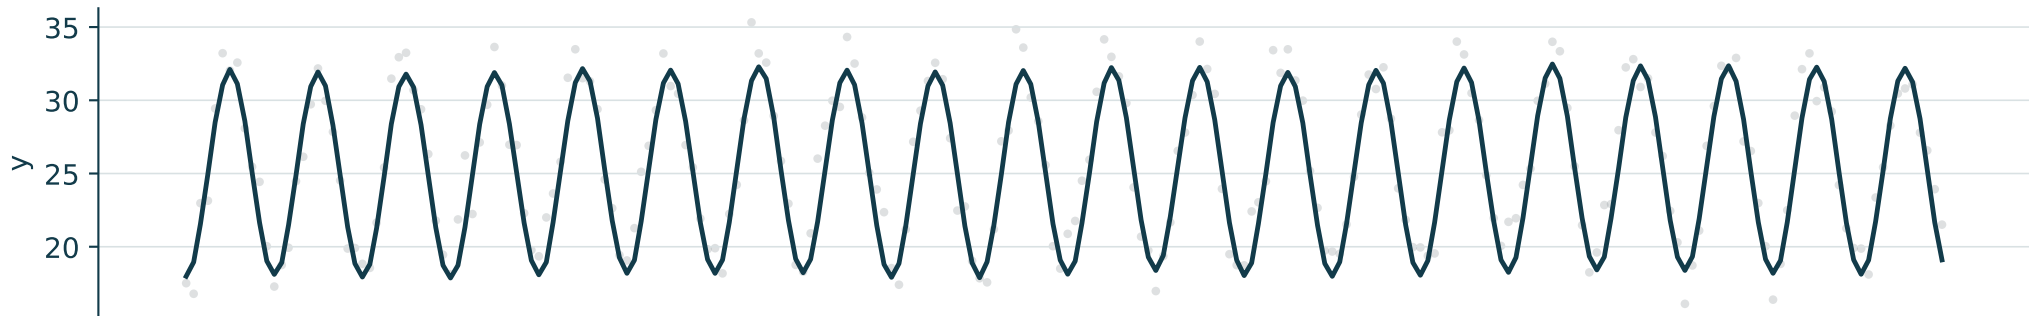

Fixed linear trend — level=fixed, slope=fixed, seasonal=zero

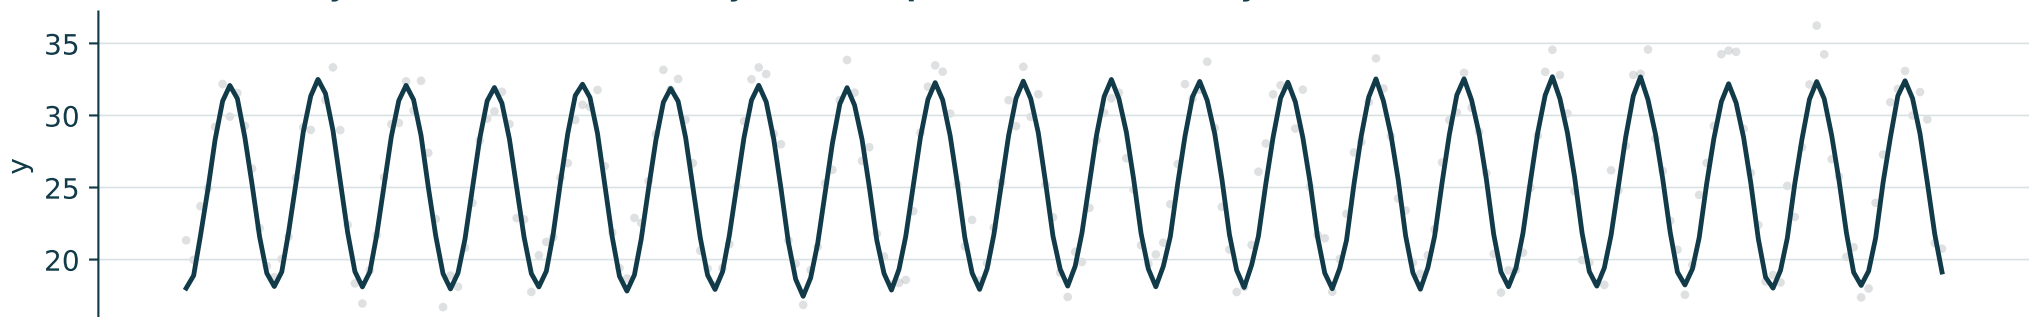

Stochastic local level — level=dynamic, slope=zero, seasonal=zero

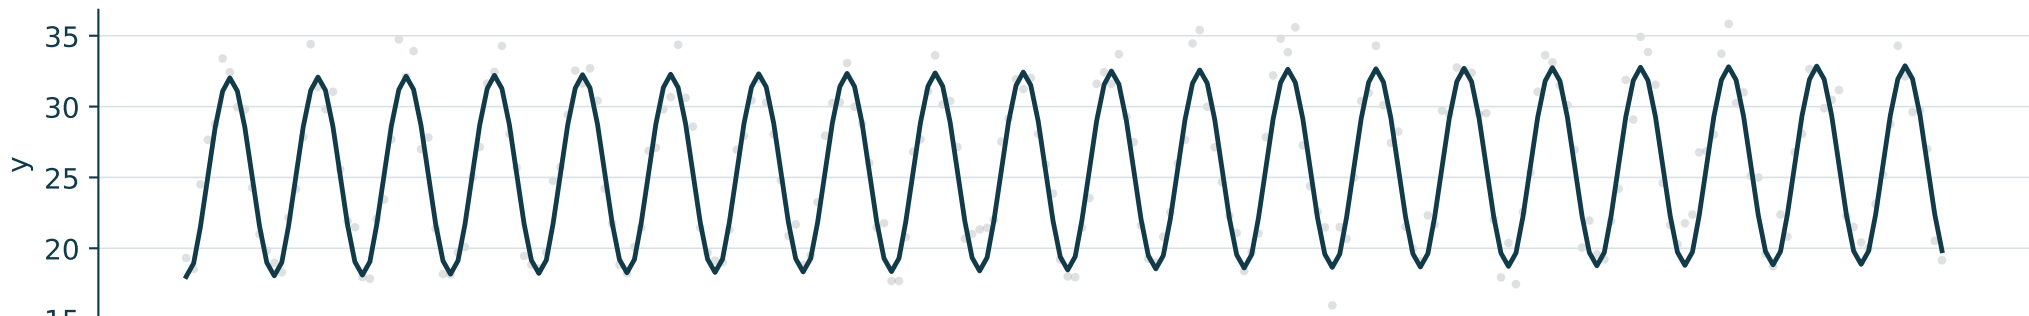

Local level + fixed season — level=dynamic, slope=zero, seasonal=fixed

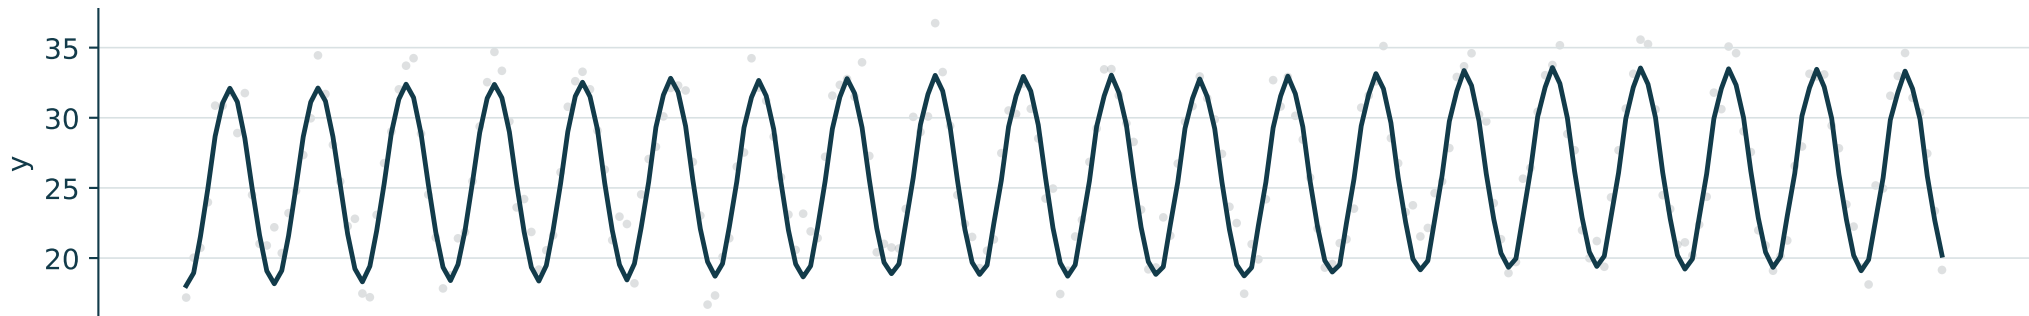

Local level + dynamic season — level=dynamic, slope=zero, seasonal=dynamic

Stochastic trend + fixed season — level=fixed, slope=dynamic, seasonal=fixed

Level + trend + dynamic season — level=dynamic, slope=dynamic, seasonal=dynamic
